

Summary of Comments from the Flood Corridor Program Public Hearing on Santa Clara River Flood Protection Project

A public hearing was held on Tuesday, June 19, 2012 at 2:00 pm in Ventura to receive comments on the Santa Clara River Flood Protection Project to be funded by the Department of Water Resources (DWR) through the Flood Corridor Program. Seven people were in attendance including Amy Young and David Martasian representing DWR's Flood Corridor Program. Amy Young gave an overview of the Flood Corridor Program and the purpose of the public hearing. Lily Verdone who represented the project proponent, The Nature Conservancy, gave an overview of the project. The meeting was then opened for questions and formal comments. There were no formal comments on the project.
